Resolution Number 15.32.15R

**RESOLUTION COMMEMORATING WOMEN'S HISTORY MONTH 2015 AND
HONORING THE EXTRAORDINARY CONTRIBUTIONS OF WOMEN TO THE
NATION AND TO THE CITY ALBANY**

WHEREAS, during the month of March our nation celebrates Women's History Month. Women of every race, class, and ethnicity have made historic contributions to our nation and to the City of Albany. Women have played a critical economic, cultural, and social role in every sphere of life by constituting a significant portion of the labor force inside and outside of the home; and

WHEREAS, their achievements span the wide range of human endeavor. These achievements have not been attained without the quiet courage and sacrifice of millions of women, some famed, most not. Women have established themselves in business and the professions, and today women outnumber men as undergraduates at our colleges and universities. Women have fought for moral and social reform and have taken part in and led many great social and political movements of our land. Women have founded many of our philanthropic, cultural, educational, and charitable institutions. Women have served our Nation with valor and distinction during wartime, nursing the wounded, piloting airplanes, performing vital jobs in defense plants. Women have forged a place for themselves in public life, serving on the Supreme Court, in the Congress, and in Cabinet posts; becoming Ambassadors; and holding Federal Executive posts that affect the lives of every citizen; and

WHEREAS, the City of Albany is committed to the full participation of women in all aspects of society in order to make the city a better place to live, work and raise a family, by removing barriers that hinder their participation, increasing awareness of the status of women and the issues they face and by recognizing and promoting the contributions that women make to their community, State and Nation; and

WHEREAS, for 2015 Women's History Month, the City of Albany Common Council would like to recognize the important contributions of women in the political world, especially their contributions to the City of Albany, the government closest to the people. We take this moment to celebrate two important political figures in our history; and

WHEREAS, the Honorable Kathy Sheehan is the first female mayor of the City of Albany in its over 300 year history, taking office in January of 2014. She is the first new mayor of Albany in twenty years after Mayor Gerald Jennings decided to retire. Prior to being elected mayor, Sheehan was City Treasurer from 2010 to 2014, where she modernized the City's tax system and was responsible for overseeing better collection practices and procedures to the parking ticket violation system. Prior to election as a public official, Mayor Sheehan served as Treasurer of the School 19 (now New Scotland Elementary) PTA. She is a founding member of the Albany Promise, a coalition of community members, educators, service providers and business leaders working to ensure that every child in our City succeeds academically; and

WHEREAS, the Honorable Carolyn McLaughlin has more than 27 years of experience in public service, starting her life of public service in 1998. A native of Albany, Ms. McLaughlin proudly represented the Second Ward in the historic South End for 12 years. While serving on the Common Council she was also elected as Majority Leader by her fellow Council Members and served on the Finance, Taxation and Assessment and Planning, Economic Development and Land Use committees. As Chair of the Housing and Community Development Committee, she was responsible for oversight of the Community Development Block Grant process. She has been one of the strongest advocates for quality affordable housing in the city. She was co-sponsor of the legislation that established a vacant building registry and the lead sponsor for legislation which established the Citizens Police Review Board in the City of Albany. From affordable housing to rehabilitation of abandoned property, from childcare to senior services, from health care to the prevention of HIV/Aids, from education reform to job creation, from the war on crime and drugs to the war in Iraq and Afghanistan, Carolyn consistently offers her opinion on issues and challenges faced by her community. She advocates for equitable distribution of resources to improve the quality of life across all neighborhoods in the city of Albany. In January 2014, Ms. McLaughlin began her second four-year term as the first African-American President of the Albany Common Council, representing the needs of entire city. In addition, McLaughlin was elected as Chair of the Albany County Democratic Committee in September 2014. She is the first elected African-American and woman elected on a county-wide basis to this post, known for her ability to listen to and work with all interested parties. Ms. McLaughlin's personal mission statement is "To live each day demonstrating gratitude for what I have been given and for what I have experienced.
